*Certificate of
Outstanding Contribution in Reviewing*

awarded November 2018 to

Moe Amanzadeh

in recognition of the contributions made to the quality of the journal

25 July 2019

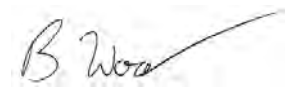

Dr Moe Amanzadeh
PhD Research Scholar
UQ Fibre Optic Sensing Application Laboratory

Email: m.amanzadeh@uq.edu.au

Dear Moe

I am writing to confirm that you have successfully completed and met all the requirements of UQ ilab Germinate startup accelerator program as part of our Germinate 12th intake. This intense three-month program operated from 25th June through to the final pitch event on 2nd October 2018. The Germinate accelerator provides one of the most extensive experiential startup entrepreneurship experiences available. As part of the program, you received weekly one on one mentoring, regular expert seminars on the fundamentals of growing a startup company, desk space in ilab and interactions with successful startup entrepreneurs. The program culminated with you pitching your Mediroo startup company to an audience of investors, UQ staff and the public from Brisbane's startup ecosystem including Queensland's Chief Entrepreneur.

Congratulations.

Yours sincerely

Mr Bernie Woodcroft
Director, ilab
The University of Queensland

Certificate of Completion

This is to certify that

Mohammad Amanzadeh

Participated in and Successfully Completed the

UQ Idea Hub Summer 2018 program

From 28 February 2018 for six weeks.

The weekly workshops focused on developing and applying entrepreneurial and agile thinking to a variety of topics relevant to product or service development and the market, as well as the process and provision of tools for developing a commercial offering.

Nimrod Klayman

UQ Idea Hub Director

The University of Queensland

Participant
School of Mechanical and Mining Engineering

**The 2019 University of
Queensland 3MT Competition**

A. G. McEwan

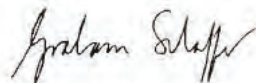

Professor Alastair McEwan
Pro-Vice-Chancellor (Research Training) & Dean, Graduate School
The University of Queensland

Faculty of Engineering, Architecture and
Information Technology
Engineering Postgraduate Research Conference 2013

The Faculty is pleased to congratulate:

Mohammad Amanzadeh

The Professor Klaus Bremhorst Prize for
Best Presentation Related to Mining Engineering
and Energy

Professor Graham Schaffer
Executive Dean
Faculty of Engineering, Architecture and Information Technology
June 2013

THE UNIVERSITY OF QUEENSLAND
AUSTRALIA

2012 Australian Mining Technology Conference

"Reducing energy intensity through operational efficiency"

8 - 10 October 2012, Perth, Western **Australia**

Most Outstanding Student Paper

Mohammad Amanzadeh

Certificate

Herewith we confirm that

Mr. Mohammad Amanzadeh

Has gone through three days training

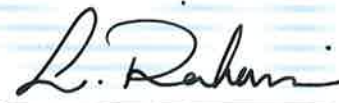

In a basic course for PLC

Training contents:

- Introduction to PLC
- Overview of PLC range: CJ1M
- Introduction to CX-Programmer & CX-Simulator
- Ladder diagram
 - Programming
 - Downloading
 - Testing
- Introduction to
 - Memory areas
 - Basic instruction
- Applications & examples
